## PROGRAMME PROJECT REPORT (PPR)

### 1. BCA - Bachelor of Computer Application

#### 2. Programme's mission and objectives:

**Dr. B.R. Ambedkar Open University** implemented a choice-based credit system in the academic year 2015-16. In line with the NEP-2020, the university introduced a three-year undergraduate program starting in 2025-26.

This redesign was prompted by the University Grants Commission's (UGC) release of guidelines for a new student-centric curriculum framework called the "Curriculum and Credit Framework for Undergraduate Programmes" (CCFUP). The CCFUP emphasizes a flexible choice-based credit system, a multidisciplinary approach, and multi-entry and exit options. These features empower students to pursue their desired career paths by selecting subjects or fields that align with their interests.

**Dr. B.R. Ambedkar Open University, Eluru** offers a wide range of high-quality Open Distance Learning (ODL) programs to students pursuing higher education.

#### **Vision**

To emerge as a transformative people's university that democratizes higher education through innovative open, distance, and digital learning, empowering every learner with knowledge, skills, values, and lifelong opportunities for inclusive social progress, sustainable development, and global citizenship.

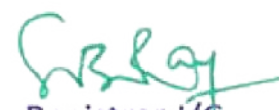

#### **Mission**

- To provide equitable, affordable, and flexible access to quality higher education for learners across urban, rural, tribal, coastal, and underserved regions of Andhra Pradesh and beyond.
- To design learner-centric, multidisciplinary, skill-oriented, and future-ready academic programmes aligned with emerging societal, technological, and employment needs.
- To integrate digital technologies, multilingual learning resources, open educational practices, and blended pedagogies for enhancing accessibility, engagement, and academic excellence.

- To promote lifelong learning, continuing education, professional development, and entrepreneurship for youth, working professionals, women, senior citizens, and marginalized communities.
- To strengthen research, innovation, community engagement, and extension activities addressing regional and national developmental priorities.
- To nurture constitutional values, ethical leadership, environmental responsibility, social justice, and human dignity inspired by the ideals of Dr. B. R. Ambedkar.
- To build strong partnerships with industries, government agencies, academic institutions, and international organizations for collaborative learning, research, and employability enhancement.
- To ensure transparency, accountability, quality assurance, and continuous institutional improvement through robust academic and administrative systems.

### Objectives

1. To expand higher education opportunities through open and distance learning, online education, and technology-enabled learning systems.
  2. To increase participation in higher education among socially and economically disadvantaged groups, first-generation learners, differently-abled learners, and geographically remote populations.
  3. To develop flexible academic pathways with multiple entry and exit options, credit mobility, and learner support systems in alignment with contemporary educational reforms.
- To create high-quality self-learning materials, digital content, virtual laboratories, and multilingual educational resources accessible anytime and anywhere.
  - To establish an extensive network of learner support centres, digital learning hubs, and community knowledge centres across the State.

Registrar I/C

Dr. B.R. Ambedkar Open University  
Andhra Pradesh  
Eluru, Eluru District

- To promote vocational education, employability skills, entrepreneurship, and industry-relevant certification programmes.
- To encourage interdisciplinary research, innovation, policy studies, and knowledge dissemination relevant to regional development and public welfare.
- To foster collaboration with national and international institutions for academic exchange, joint programmes, research, and capacity building.
- To promote inclusive education with special focus on women empowerment, tribal education, prison education, adult literacy, and continuing education.
- To inculcate ethical values, scientific temper, constitutional morality, social harmony, and environmental consciousness among learners.
- To strengthen quality assurance mechanisms, academic governance, data-driven administration, and institutional benchmarking for national and global recognition.
- To contribute to the socio-economic and cultural development of Andhra Pradesh through community outreach, extension services, and knowledge partnerships.

### **3. Relevance of the program with HEI's Mission and Goals:**

**Dr. B.R. Ambedkar Open University, Eluru** strives to be India's leading Open university, renowned for excellence in teaching, research, and providing top-tier educational opportunities for a diverse student body. The University fosters intellectual growth, nurturing students to become well-rounded global citizens who are:

- Multi-skilled
- Socially responsible
- Creative
- Adaptable
- Contributing members of society
- Morally sound

  
Registrar I/c  
Dr. B.R. Ambedkar Open University  
Andhra Pradesh  
Eluru, Eluru District

We provide opportunities and support to students from all backgrounds, helping them develop their full intellectual, moral, civic, and creative potential. Through multifaceted education and engagement with local, national, and global communities, we empower students to become informed global citizens.

The University fosters excellence through active and dynamic student-teacher participation in the academic process. We instill high moral, ethical, and professional standards, equipping students with the knowledge and skills needed to achieve their professional goals, improve performance, and serve as leaders and role models within their communities.

#### **4. Nature of prospective target group of learners**

- Students who have dropped out of their studies
- Women seeking higher education
- Unemployed youth seeking to upskill
- Working professionals looking to advance their careers
- Defense personnel
- Primary school teachers pursuing professional development

These groups share a common desire for higher education but may face social or economic barriers to attending regular programs. Our curriculum is specifically designed to address the academic needs of this diverse audience.

#### **1. Preamble:**

Choice Based Credit System (CBCS) was introduced, under the aegis of Andhra Pradesh State Council of Higher Education (APSCHE), at the insistence of the University Grants Commission, for the general undergraduate programmes, i.e., BA, B.Com, BSc, BCA, BBA, UG Honours etc., by the affiliating universities in all government, aided and private degree colleges in the state of Andhra Pradesh in 2015 - 2016.

The system of CBCS has been in vogue for the undergraduate programmes in all the advanced countries for several decades and proved to be advantageous to the students of higher education because of its features like courses in place of papers, availability of diverse courses,

scope for choice, weightages with credits, space for multiple kinds of teaching, learning and assessing methods which can effectively cater to the diverse needs of students.

As the existing CBCS would be completing five years by 2019-20, the APSCH decided to revise and strengthen the scheme while addressing the following issues.

- a. Overcoming the shortages in the existing system.
- b. Consolidating the system in its true spirit by providing multiple choices in domain as well as general courses.
- c. Revising the curricular framework wherever needed.
- d. Orienting syllabus to the course outcomes as advised by UGC
- e. Updating of syllabus to match to the present needs
- f. Replacing papers with courses
- g. Introducing better skill-oriented courses to align with the emerging and employment areas.

For carrying out the above task, the APSCH constituted a Committee for recommending revised curricular framework and updated syllabus of UG Programmes, i.e., B.A., B.Com., B.Sc., BCA, BBA, UG Honours etc., under CBCS pattern from the year 2020-21.

Based on the recommendations of the Committee, the following Guidelines are formulated. These Guidelines of Curricular Framework with revised Choice Based Credit System comes into effect from the academic year 2020 – 2021, to be strictly adhered for all Undergraduate Programmes offered in Affiliated Colleges and Autonomous Colleges.

1. The Curricular Framework for UG – Arts; UG – Science and UG – Commerce are appended as Annexures – I, II & III respectively.
2. **Life Skill Courses:** There will be 4 Life Skill Courses in place of earlier 10 foundation courses with the same hours, credits and maximum marks. The objective is to inculcate the required simple life-long skills. While the course in ‘Environmental Education’ continued to be mandatory, in case of others, students can opt one out of three courses, unlike in the existing system, where no choice is being given to students.

Registrar I/C

Dr. B.R. Ambedkar Open University  
Andhra Pradesh  
Eluru, Eluru District

3. **Skill Development Courses:** A new set of 4 Skill Development Courses will be offered with 2 hours of teaching per week, two credits, 50 maximum marks and only external assessment. These courses are intended to train students in broad-based multiple career oriented general skills, in Arts, Commerce and Science streams but open to all students. A wider choice is given to students as they can choose one course from a total of six courses (two from each stream).
4. The preferred departments for teaching LSCs and SDCs are appended.
5. To ensure accountability among the teachers teaching LSCs and SDCs courses, the workload of these is to be reckoned for the calculation of workload of teachers.
6. **Core Courses:** Three core courses of Domain subjects will be in the first three semesters, and the fourth and fifth courses will be in the fourth semester. Two domain SECs will be in the fifth semester. There will be uniformly five Core Courses in each Domain Subject in BA and BSc, and 15 in B.Com.
7. **Skill Enhancement Courses:** Two Skill Enhancement Courses will be offered for each domain subject, in Semester V. The two Skill Enhancement Courses of each domain subject will be linked for a wider basic and practical experience to students.
8. Programmes like BCA, BBA, UG Honours etc. will broadly have a similar framework as prescribed for B.Com considering them as single major subject programme.

  
Registrar I/C  
Dr. B.R. Ambedkar Open University  
Andhra Pradesh  
Eluru, Eluru District

## 9. Table-1: Main Features of the Courses in the Revised Curricular Framework.

Subject/Course	Hours / Week Theory	Hours / Week Practicals	Total Hours	Credits	Max Marks Internal Assessment	Max Marks University Exam	Total
Life Skills Course	02	-	02	02	-0-	50	50
Skill Development Course	02	-	02	02	-0-	50	50
Language Subject	04	-	04	03	25	75	100
Domain Arts/Commerce Subject	05	-	05	04	25	75	100
Domain Science Subject	04	02	05	05 (4+1)	25	75	100
Mathematics	06	-	06	05	25	75	100

10. The four courses of LSCs, SDCs and three courses of Languages (as they exist now) will be offered in the first three semesters as shown in the table below. The detailed structure is shown in Tabel-2 below.

<i>Courses of</i>	<i>Sem-I</i>	<i>Sem-II</i>	<i>Sem-III</i>	<i>Sem-IV</i>	<i>Sem-V</i>
Life Skills	1 (02)	1 (02)	2 (04)		
Skill Development	1 (02)	2 (04)	1 (02)		
Language – 1	C-1 (04)	C-2 (04)	C-3 (04)		
Language – 2	C-1 (04)	C-2 (04)	C-3 (04)		
Domain Sub -1	C-1 (06)	C-2 (06)	C-3 (06)	C-4 (06) C-5 (06)	SEC-1(06) SEC-2 (06)
Domain Sub -2	C-1 (06)	C-2 (06)	C-3 (06)	C-4 (06) C-5 (06)	SEC-1(06) SEC-2 (06)
Domain Sub -3	C-1 (06)	C-2 (06)	C-3 (06)	C-4 (06) C-5 (06)	SEC-1(06) SEC-2 (06)
Total Hours/Week	30	32	32	36	36

Registrar I/C

\* Figures in parenthesis are hours per week of Core Courses of Science. In respect of Arts and Commerce Courses, the hours per week for Core Courses will be 5.

\*\* SEC1 and SEC-2 in Sem-V are C-6 and C-7 respectively.

11. Teaching of two appropriate LSCs/SDCs are to be assigned to the language departments to mitigate the workload shortage for the language subjects, as being done in respect of Foundation Courses in the previous system. The workload for teaching LSCs and SDCs by the respective language department shall be reckoned while calculating their workload.
12. The syllabus was revised and updated keeping the Learning Outcomes in view for ensuring higher order learning and skills, a requirement in higher education. The Universities and colleges shall make certain that teaching, learning and assessment are outcome oriented.
13. In the affiliation system which imposes limitations in assessing students, the internal assessment is crucial in ensuring the right learning. Universities and colleges may strengthen the internal assessment without disturbing its flexibility.
14. Co-curricular activities play an important role in promoting experiential self-learning and field-based learning in students, especially in learning higher order skills. The measurable pedagogical activities can be a small part of internal assessment.
15. The respective Boards of Studies of the affiliating universities/autonomous colleges may modify the syllabus prepared by the subject committees as mentioned above to a limited extent, without disturbing the Frame work recommended above.
16. In view of the advantages of using ICT in teaching and learning, the universities and colleges may offer 'online courses' on extra credits. They may take into consideration the standardized online courses offered by various government/public agencies and also may design their own new online courses following due procedures.
17. Similarly, online programmes such as Webinars, with greater participation of students, may be encouraged in colleges.

Registrar I/C

Dr. B.R. Ambedkar Open University  
Andhra Pradesh  
Eluru, Eluru District

18. The system of credit transfer facilitates students getting better training at appropriate places. The universities may discuss and develop a uniform system and guidelines in this regard across the state. The number of credits earned under credit transfer shall, however, be limited to a small number. APSCHE will issue separate guidelines.
19. To ensure inculcating social responsibility and compassionate commitment among the students, the summer vacation in the intervening 1<sup>st</sup> and 2<sup>nd</sup> years of study shall be for Community Service. Detailed guidelines on the Community Service will be circulated shortly.
20. To make the students employable, an Apprenticeship / Internship / On the job training shall be undertaken by the students in the intervening summer vacation between the 2<sup>nd</sup> and 3<sup>rd</sup> years.
21. During the entire 6<sup>th</sup> Semester, the student shall undergo Apprenticeship / Internship/ On the Job Training. This is to ensure that the students develop hands on technical skills which will be of great help in facing the world of work.
22. APSCHE shall issue guidelines for the implementation and assessment of the Apprenticeship / Internship / On the job Training.

**DETAILS OF COURSE STRUCTURE**

S.No	Semester	Hours/ Week	No of Credits	Max.Marks	Max. Marks University Exam	Total Marks
				Internal assessment		
1	I	30	25	125	625	750
2	II	32	27	125	675	800
3	III	32	27	125	675	800
4	IV	36	30	150	750	900
5	V	36	30	150	750	900
#6	VI					
<b>TOTAL</b>		<b>166</b>	<b>139</b>	<b>675</b>	<b>3475</b>	<b>4150</b>

Note: It is to be noted that, Basic Computer Applications under Life Skill Courses should not be opted by the student under any semester.

**Mandatory:**

1. As suggested above teacher shall impart actual field related skills to students for 15 hours in Science and 10 hours in Arts/Commerce/BBA subjects in the classroom/lab/field. A list of suggested skills (based on the syllabus of the course) to be taught to students in the classroom/lab/field may be recommended under this title. The skills suggested may be related to the outside field/agency/lab/industry concerned.
2. Field work will be mandatory for students of both science and arts/commerce domains for learning/practicing skills (this is in addition to the laboratory work and record in case of science subjects). The curriculum document may suggest some areas of field work related to the SEC.
3. Each student has to submit a simple, hand-written Fieldwork Report on white paper not exceeding 10 pages as an evidence of his/her work in the field. A maximum of 5 marks

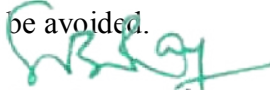

Registrar I/C  
Dr. B.R. Ambedkar Open University  
Andhra Pradesh  
Eluru, Eluru District

may be allotted for this report from the Internal Assessment quota.

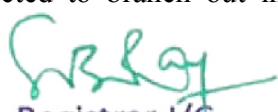

4. A format for the Fieldwork Report may be suggested for the SEC.
- b) **Suggested Co-curricular activities:** a few co-curricular activities like assignments, seminars, invited lectures, group discussion, quiz, compilation of information including model documents, photographs of tools/equipment, visits, preparation of videos etc. may be suggested under this title.

#### A. GUIDELINES

1. SECs are different from Core Courses as well as SDCs. SDCs are introductory courses for general skills whereas SECs belong to the Domain Subject Concerned. The scope of SDC is small (2 hrs and 2 credits) while the scope of SEC is larger (5hrs and 4 credits for arts/commerce and 6hrs and 5 credits for science).
2. Curricula for SECs are to be prepared keeping in mind the students of urban, rural and remote areas including slow learners. The intention is to inculcate skills related to the domain subjects that are practiced in markets, industry, agencies around the college. The college shall be able to inculcate the skill with its available resources.
3. Since the main objective of SECs is to inculcate the skills related to the areas of domain subject concerned, the curriculum has to cover aspects such as knowledge, protocols of skills and practicing of skills in classroom/lab/field.
4. It is desirable that the skills part in the syllabus may be not less than 30%.
5. The skills to be included in SECs, whether simple or advanced, shall be currently in practice in the field and available in all areas of the State. No use of including outdated skills.
6. As there will not be any separate practical examination for SECs in Arts, BBA and Commerce, the student shall answer the skills part also theoretically. Hence, terms with high technicality and complicated procedures shall be avoided.

  
Registrar I/C  
Dr. B.R. Ambedkar Open University  
Andhra Pradesh  
Eluru, Eluru District

7. The existing domain subject lecturers shall be able to teach all the skills of the SECs concerned.
8. It is desirable that the format for field work report is very simple and short so that students of remote areas will also be able to prepare and submit.
9. The fact that our arts and commerce classrooms will have large student strengths shall be kept in mind while choosing the skills for syllabus.
10. It is essential that the syllabus document is prepared in Word file with 12 Times New Roman font and in 'No Space' style. Tables copied and pasted from other files like pdf, MS power point & Excel etc. will seriously hamper correcting and editing. It is important that use of disabled tables in the syllabus document is avoided. Bolding, italicizing and colouring of sentences may be rare and for the purpose only.
11. Templates will be circulated, and the format is adhered to.
12. **Cost Estimates for the Development of The Programme:** The Programme fee for 1st year is Rs.6,500/- 2nd year 6,200/- and 3rd year Rs. 6,200/-. The university will pay the remuneration to course writers and counsellors as per university norms. Processing, Print Materials and Examination fees as prescribed by the University. It will be revised periodically to attract the counsellors. This institution is providing high-quality programmes at minimum cost.
13. **Library Resources:** The institution has a sizable collection of History, Political Science, Special English books in the library on its premises. The students make use of the library.
14. **Quality Assurance Mechanism and Expected Programming Outcomes:**
  - Upon successful completion of the course, the students receive a degree in BCA.
  - The graduates of this Programme are expected to branch out into

  
Registrar I/C  
Dr. B.R. Ambedkar Open University  
Andhra Pradesh  
Eluru, Eluru District

different and possible career paths.

- On completion of the course, students are expected to have acquired specific skills and generic skills like mind management, creativity and innovation of competencies in diverse areas.
- The program learning outcomes of B. C.A. also enable a student to prepare for further study, employment and good citizenship.

Eluru, Eluru District

**\*Note:** THIRD PHASE of APPRENTICESHIP Entire 5th / 6th Semester

**Note-1:** *The Number of hours per week and credits are assigned to each course as per the course structure which was already approved at the time of finalizing the first FOUR semesters of BCA programme under CBCS by the concerned committee.*

**Note-2:** *One of the main objectives of Skill Enhancement Courses (SEC) is to inculcate practical skills related to the domain subject in students. The syllabus of SEC will be skill oriented and hence, teachers shall impart practical training to students on the skills embedded in syllabus citing related real field situations.*

**Note-3:** *Since, the proposed SECs are connected to Computer Programming/Software Tools and Skill enhancement, the students need to get exposure on the syllabus content by practicing on the computer. Faculty are advised to engage students in practical based assignments so as to ensure better understanding of the practical usage of the particular skill based subject in real application domain.*
